

Residential Construction Solutions

Landscape Design Contracts offer an extensive range of products and services including all types of landscape design, construction, hard landscaping, soft landscaping, grounds maintenance, conservation and restoration.

LDC purchase and lay more quality turf than anyone else in Scotland and our extensive client base includes some of the most prestigious builders in the UK. For clients requiring a smaller scale more intimate project or one of design our dedicated team of Designers, Surveyors, Estimators and highly experienced Landscapers can provide you with an unrivalled service and a unique after care programme. LDC constantly strives to provide the highest standard of customer care within the Landscaping Industry.

We construct driveways, paths, and patios using a variety of different materials both manmade and natural and we offer the following services:-

**Inspirational, innovative
and imaginative solutions
with a comprehensive
Guarantee**

- **Full landscaping and planting service.**
- **Lighting, music and water features.**
- **Contemporary landscape sculpture and dry stone walling.**
- **Decking and fencing.**

Please call 01506 639950 for an appointment to receive a free personalised quotation.
